

SWISSTECH CONVENTION CENTER

MOBILITY

As an event organizer, you can offer sustainable mobility solutions to your participants. Mobilis offers you tailor-made solutions, adapted to your needs and at attractive prices. Your participants will be able to go to your event by public transport in complete peace of mind, thanks to the ticket included in their invitation / registration. The EPFL metro stop is located in front of the SwissTech Convention Center; the door-to-door journey takes less than a minute!
