

PARKING SWISSTECH VILLAGE—TICKET QR CODE

1. Enter into the parking lot:

The participant enters the parking lot and receives a parking ticket at the entrance terminal. He must keep this parking ticket for the rest of the day.

2. Get the ticket with QR Code:

Please keep the initial parking ticket together with the QR Code ticket.

3. Go to the parking machine:

First, insert the parking ticket then scan the QR Code ticket. The machine will recognize the QR Code, which will validate without requiring payment. Then throw the QR Code ticket away.

4. Exit from the parking lot:

Insert the parking ticket at the barrier.
